CONGRESS AND THE SOLDIERS

of the president on the bonus gues. tion it is well to glance at the rec-NAME AND THE ADDRESS OF THE OWNER, ment of soldiers and salors of the late: war. If it appears that the gov--rament has been liberal and thoughtful in its care of these menthere will be less disposition on the part of any one to suggest that the delay in bonus legislation is due to disregard of right or justice in dealing with former service men

A statement compiled by the goveernment authorities made pub. terday, throws much light upon the government's attitude noward in detenders. The figures are brought up to April 1 and show that a torni or \$1,996,260,634 has been appropriated WHY OUR COAL for the welfare of soldiers and said ors of the lare war to sum towns as STRIKE family allowances insurance, hospi-

service men that congress has met purely a matter of form the estimates without cutting off a - it would have been foolbardy for

lines, so congress draws no lines when providing for the nation's de WEED OUT INCOMfenders. It would be a pity to see bonus legislation injected into the forthcoming campaign as a political voters of all parties.

ESCH-CUMMINS ACT MUST BE AMENDED

Thus propagation is making hearts to results that we are still the desired effect. It every starminuscioner will write his cut processes until securiors-II class t mother's love is the despect but may b. We must get action quickly, that was ever known. No matter otherwise, these bills will not be what adversities may evertake us commissioner of lowa states among

Mr Webster who is a ratifold the despest of all reveleped to but after strings, in a report he has I led before the house committee Tropaganda or I might say, poison gus, has been scattered broadcast in imaline that the support given by to state commissions to the amendnem and repeal of certain sections of the Esch-Cummins act is due to section motive. I know most of the state commissioners of the country and know that their support is du solely in, what they regard as their duly as representatives of their respecifie states, and U doubt if any one of them has any selfish motive Even if all milroad rate making authority were removed from the state commissions, they would still function in other marters, and R would not affect them personally in ins manner. It is the principal that they are endeavoring to maintain-The preservation of our local home This from destruction."

The public mind is beginning to tals, vocational training etc. The appreciate that the issue involved appropriations for the troud year in the coal strike is not whether 1923 are \$405 Classic for these pur or not an agreement to meet in conposes. Thus the United States is suitation was violated but that much expending more than \$1,000,000 is deeper and more important issues day for the welfare of the buys - were involved. The refusal of the If there is any duty which lies operators in the central competitive upon the heart of President Harding field to agree with the miners upon more constantly than all others it a wage scale was fally justified by is that of providing for the disabled the facts because in violation of the men who fought for the United injunction issued by the federal dis-States during the late war. He has trict court of Indiana. Notwithstand emphasized his sense of responsibile ing this statement, says the Mining ity many times, and has more than Congress Journal, we believe that all that duty required in the operators should have meet with impressing upon Congress the need the miners in accordance with the of forethought and liberality in pro-contract; notwithstanding the abroviding for these men. As for con- gation of the contract by the minera, gress it is sufficient to say that evenue and at such meeting should have reery dollar estimated for by the extrused to violate the injunction by ecutive departments has been ap effecting any agreement, but whether propriated. In no other branch of this should have been done or not is government activity is this the case, purely a matter of judgment, because It is only in dealing with former such meeting would have been

these men to have again violated the Soon the country will have be injunction of the court while still fore it the proposal for a bonus us facing trial for the first alleged of worked out by the senate committee tense. It is idle to say that Attor-Whether this plan will be approved ney General Daugherty had advised by the president remains to be de that he would not consider such a veloped after conferences. Alterna meeting a violation of the law, even tive plans are suggested, and per though this conclusion seems to have haps there will be modifications re-been accepted by the public mindsulting in a satisfactory compromise. This grows out of a misconception President Harding has frequently of the functions of the attorney said that he would not approve of general. The name "department of bonus legislation which did not pro-justice" is a misnomer, justice is vide means of raising the required dispensed by the court. The department of justice, the attorney gen-The appropriations in behalf of for eral's office, is the legal adviser to mer service men have been made by the executive departments and the congress without thought of partisan- prosecutor of violations of the law. ship. Just as all partisans fought its function is to prosecute and adin the war without drawing political vise, but not to judicially determine.

Mr. Harding's determination to do bone of contention. If a bonus bill away with bad service in governshould be enacted, it will be by the ment has been bearing fruit since the announcement of that purpose was made. The recent "shake ups" are but a phase of the undertaking's result-more noticeable than some others, because the president's hand The Nevada railroad commission is directing the ouster. Many bu-
